60TH ANNUAL MEETING RECAP THREE DIRECTORS ELECTED TO SERVE

Three member-owners were elected to the Idadiv Board of Directors during our 60th Annual Meeting held in Nampa on February 2nd. Those elected were Carol Andrews, Anne Aschenbrener, and Steve Ineck. They join Kathleen Archer, Tom Doan, Karen Serratos, and Brett Spencer. These seven volunteers meet monthly to set credit union policies, review financial performance, and direct future planning

of your credit union. Their enthusiasm and interest helps keep your credit union healthy and growing.

We would also like to extend our thanks and appreciation to Dennis Elledge for his time and dedication to the Board of Directors. Without our volunteers, their dedication and commitment, we would not be what we are today. Thank you!

ANNUAL MEETING HIGHLIGHTS

Those who braved the blizzard-like conditions to attend the Annual Meeting were treated to quite a performance by the Junior Jammers. They played lively, fun songs that had the crowd toe tapping and clapping along.

Some members even took advantage of the great music to steal a dance! Ross Stewart and Dorothy Shannon enjoyed the music while those in attendance enjoyed watching them gracefully twirl through the crowd.

NEW AT IDADIV~RELOADABLE DEBIT CARDS!

Idadiv is excited to introduce our new reloadable debit card. How does it work? It's simple. You order the card from Idadiv, a card imprinted with your name comes to you in the mail, you add the funds to the card (either online or in-branch), and use it just like you would a normal debit card. With easy and secure online access, you always know how much you have available and how much you've spent. When the card is low on funds, you can add funds just like you did before, either online or in a branch, as often as you'd like.

- Use your Reloadable Debit Card anywhere Visa debit cards are accepted (in-store, online, or by phone)
- Eliminates the need to carry large amounts of cash while providing added security against theft or loss
- Improved financial control with spending limits and online tracking abilities

CREDIT UNIONS FOR KIDS—CMN

The Credit Unions for Kids program raises money for Children's Miracle Network (CMN). This

program has a long history as the charity of choice for many credit unions across the nation. Here at Idadiv, it has been our primary choice for many, many years. Through the help of our dedicated staff and generous members, we were able to donate \$19,138.38 to CMN last year. Of course, we'd like to do even more this year. We are hosting our CMN Charity Golf Tournament on August 8th at Ridgecrest Golf Club, various holiday fundraisers, and our popular Skip-A-Payment program in November and December. Thank you again to all those who have helped us help this great cause!
